

Highlights of 2008 Eastern Region Women's Conference

by Barbara Bach

What a weekend! I know we can say this, that we have "been with Jesus!" because it is evident that our special speaker, Erin Campbell, spends much time with Jesus. I marvel in how the Holy Spirit led and wove a theme to bring oneness in spirit. The morning that I left for the conference, the Holy Spirit led me to Acts 4. Verse 13 spoke to me in a powerful way; "God used ordinary people to perform miracles. They knew they had been with Jesus!"

God has an ongoing plan and purpose. As our speaker, Erin Campbell, says, "Every woman has a story!" We are on a journey and He works through "everything" to bring us to where He can work through us for His Kingdom! But we must seek Him and hide His Word in our hearts. Let's keep our focus on Jesus! "He, alone, is our ROCK! Our salvation and glory depend on God!" He wants to use us, as ordinary women, with a story!

The Holy Spirit has already downloaded the plan for our 2009 Women's Conference! The theme is: "Soar To New Heights to Love, Live, Lead." The dates are October 16 & 17 at the Columbus Airport Marriott.

Thank you for your generous gift to celebrate my birthday! I feel overwhelmed by your love! I love you!

PS Roger Wysong has DVD's of the conference. There are 2 at \$10/each (Erin Campbell). If you are interested please email Roger directly: <mailto:rw@aproducton.net>

PSS The DVD shown of our regional project, "Gateway to a Generation," was very powerful and convincing and is a worthy cause to participate and support. The deadline is December 15 for gifts to be sent to the regional office. Every pastor has received a DVD if you want to show it to a larger audience. ([Click: Gateway to a Generation](#))
