Discover the Spectacular Sights on Private Tour in New York City!

New York is a phenomenal city with lots to offer, and the best way to experience the highlights is with one of the 6 Hours Bus and Boat tour in NYC from Small Bus Tours NYC. Let us take you on a journey that gives you first hand exposure to the heart of the city and the unique elements that make it stand apart as one of the capitals of the world.

Pick up and drop off at your desired location for Private Tours. We encourage all our passengers to dress appropriately for the weather and encourage them to bring along food and snacks for their comfort.

Why It's Worth It

On our sightseeing bus and boat tours you get the services of an experienced local guide that travels with you as you hop off and on the bus. This elevates our tours from simply riding around and looking at the sights into a combination bus and walking tour. Your bus waits as you explore attractions with the help of your guide, this saves your group from having to delay the rest of the tour while waiting for another bus to continue the journey. In addition to a dedicated guide, you also receive a boat ride pass to the Statue of Liberty, Ellis Island, and Governor's Island.

Includes:

Tour Guide on Bus. Our tour guide hops off and hops on with you. It combines a bus tour with short walks with your tour guide while the bus waits for you to return back to the same bus and a boat ride by The Statue of Liberty, Ellis Island and Governors Island.

We cover all "HIGHLIGHTS" of NYC! - including a boat ride past the famous Lady Liberty!

The Statue of Liberty is a colossal neoclassical sculpture on Liberty Island in New York Harbor in New York City. The copper statue was originally conceived as an emblem of the friendship between the people of France and the U.S. and a sign of their mutual desire for liberty, over the years the Statue has become much more. It is the Mother of Exiles, greeting millions of immigrants and embodying hope and opportunity for those seeking a better life in America. It stirs the desire for freedom in people all over the world. It represents the United States itself.
